

Save A Star Drug Awareness Foundation presents

LAKE COUNTY CONNECTIONS

FRIDAY NIGHT MEETINGS @ 7PM

210 Skokie Valley Rd., Ste. B

West Building, 2nd floor – Take Elevator

Highland Park, IL 60035

Followed by Food and Friendships

Our goal is to connect 18-40 year olds who want to stay clean and sober with community resources, social events and a strong network of peers to support each other.

The Save A Star Drug Awareness Foundation is pleased to announce its most recent venture "Lake County Connections". The main goal is to build a post-treatment network for young adults and their families. In a very relaxed environment, recovering addicts will be able to get support from other recovering addicts as well as from various government and community resources, hear expert speakers from the recovery world on emerging trends on addiction and recovery that will give them hope for their future, as well as provide social and recreational services.

Young people from the community sharing how they stay clean and sober
